ON BEAUTIFUL LAKE BEULAH, EAST TROY, WI

CAMP EDWARDS FAMILY CAMP

Tucked away near the shore of Lake Beulah is a place where you can spend time with the people you love and not have to worry about any of the details. Camp Edwards hosts several Family Camps throughout the year where we provide the fun, adventures, food, lodging, and entertainment.

In the times of an uncertain economy, Family Camp offers an affordable way to get away and create unforgettable memories with your family and relatives. When you factor in lodging, entertainment, food, gas, and activities, a trip to Camp Edwards cost less than half the price tag on a trip to a place like Wisconsin Dells. In this welcoming, family friendly environment, families have the opportunity to relax next to the lake, participate in archery, kayak, canoe, take nature hikes, gaze at the stars, go on pontoon rides, test their artistic abilities in Arts and Crafts, and so much more. Past entertainment has included magicians, story-tellers, yoga, drumming circles, artists, and live music.

Join us and find out how affordable and enjoyable a hassle free family event can be.

"Our family came to our first Family Camp in 1975. We truly felt the warmth, spirit and friendliness of Camp Edwards that weekend. Ever since, we have participated in at least one Family Camp weekend every year." - Dick Galitz

ACCOMMODATIONS

Our accommodations range from rustic to modern lodging. In addition to our many cabins, Camp Edwards also boasts two modern lodges for larger families or those who just want the camping experience without sacrificing the creature comforts of home. Lodges include a fully equipped snack kitchen if you choose to make a meal yourself. Lodges also include recreation areas for reading, playing ping pong, watching television or just sitting by the fire.

- **Cabins** - All guests choosing to stay in our heated cabins will experience the feel of a true summer camp, including bunk bed style sleeping arrangements and a clean central shower house.
- **Hoffer Lodge** sleeps 34 people and provides numerous bathrooms and showers.
- **Runge Lodge** sleeps 32 people in a mountain lodge atmosphere. The large recreational area contains a sunken fireplace, plenty of meeting space, and game area.

"My daughter's family and I were fortunate to get to attend Camp Edward's Family Camp over Labor Day Weekend. It was a weekend filled with unlimited daylong activities for all ages, good food served in the dining hall, great accommodations and a chance to make new friends." - Carol Bear

"Our family has been returning to Family Camp for 25 years. Camp Edwards is a little slice of heaven that has a big effect on those who pass through its doors. Edwards has become part of our family. Camp's importance can't be understated. We look forward to the next 25!" - Steve O'Mara

Meals

All guests are served quality, well-balanced meals in Micklewright Lodge. There is no need to worry about preparing enough food or doing dishes because our kitchen staff caters to your family's needs.

Meals may include a pasta buffet on opening night, bbq pork for lunch, a grilled steak dinner, salad bar, an ice cream social, and so much more.

Micklewright Lodge is a short walk from the lodges and is centrally located in the main cabin area. The spacious deck overlooking Lake Beulah is a perfect spot to sit back to reflect, talk, read a book, play board games or spend quality time with loved ones.
